**The next match will be Sunday, November 17, 2013.** The range will be setup for practicing on the steel targets or paper targets beginning at 10:00. Bring your spotting scopes it will help while sighting in.

We will start the match competition at 12:00 high noon.

The way the relays are set up you do not have to be here exactly on time. You can come anytime before the end of the match and join in the fun.

If you are not sure if you really want to shoot this type of match, ask someone you know that is shooting and see what they have to say about the little animals that keep ducking out of the way of those pesky pellets.

Hope to see everyone in October. Until then practice, practice, practice.
