

AUGUST 1988

Firing Line

Editor: Chuck Towne 6824 So. Lakeview St.

Littleton 80120 795-3293

Indoor Range: 1310 So. Clinton 750-4462

Outdoor Range: 12500 E. Bellview 693-1765

The August general meeting is scheduled, like always, for the second Friday evening of the month which falls on August 12th. The meeting will start at 7:30 PM. After the business meeting, there will be a swap meet. It is advised that those people with merchandise to swap arrive prior to 7:30 PM in order to have time to display their wares prior to the meeting start.

The monthly bowling pin match will be at the indoor range on Saturday morning, August 13th, at 9 AM.

The August work party will meet at the indoor range on August 20th at 8 AM. Those scheduled to work are:

Benesch
Keller
Riggs

Combs
Mann
Smith, R. L.

Dorscheid
Murray
Wigger

Fyles
Peterson

The July work party completed covering the outdoor range bench tops and the new 100 yard target frames are in use. Untill September 30th, the outdoor range is open seven days a week. For you club members who are going to use the outdoor range to sight in, please do so as you can to help keep the congestion down as opening day approaches.

Sorry folks, but another reminder is necessary. The brass in the large pail in the indoor range is for the Juniors. That brass is sold by the Juniors as scrap and is one of the very few sources of income they have. Also, if you hurry before Howard Glasier welds them up, you can see the large dents in the back stop around position 19 and 20 that one of our more disrespectful members has seen fit to place there. It sure gets old to me to have to continually remind the members of some rules infractions or evidence of a loss of common sense when someone demonstrates that they are not thinking.

The August board of directors meeting will be on the 26th at 7:30 PM.
