The February general meeting is scheduled for February 10th at 7:30 PM at the club house. The program will be a talk by Robert Ryckman of the Practical Shooting Association. This talk should include the rules of the game and something about the equipment and should add to your knowledge of the shooting sports.

In conjunction with the February general meeting, the indoor range door entry lock will be changed. New keys will be available during the February general meeting. Two items are required before you can get your key: a current membership card and a filled out 3 x 5 card. Your membership card is obtained by paying your dues of \$80 plus your \$40 work bond to the treasurer. The 3 x 5 card is to be used as a data base for the club. Information required are: name, address, phone number, occupation, and talents and skills which you could make available to the club. If you run your own business or have unusual skills, it would probably be to your advantage to have this information available to your club and fellow members.

Should you be unable to attend the February general meeting to pay your dues, you may contact Ross Ryan, the treasurer, on 690-6324 to make arrangements. Should you be unable to attend the February general meeting to get your key, you may contact Ted Bateman on 733-7144 to make arrangements.

The February bowling pin match is scheduled for February 11th.

Howard Glasier and the board of directors wish to thank the members of the January work party that accomplished so much. For only nine workers, you got a lot done.

The February work party is scheduled for February 18th at 8 AM at the club house. Those scheduled to work are:

Orrin Babcock ✓
Dennis Fluman ✓
Joseph Murray ✓
Bill Tabor ✓

Clark Calve ✓
Gil Johnson
Elmer Pickett *wrong #*
Jay Zellner *no ans*

David DeJaeger ✓
Bob Mann ✓
Fredrick Saltus ?

The secretary has received a list of telephone numbers for key offices at the NRA headquarters. Should you need to contact them about matches, supplies, insurance, or whatever, call Chuck Towne on 795-3293 to see if there is a phone number that will get you to the department you need.

Howard Glasier has installed a new steel target holder in the rifle

tube. He requests that you place your target in the center of the holder to avoid damaging the holder.

The next board meeting will be February 24th.

The board has authorized the U. S. Marksmanship Unit to use the indoor range March 1st through 3rd for training in the evenings and again on the 4th for a practice match. The unit will help with the coaching of the Juniors on the 2nd. This unit is most of the best smallbore shooters in the country and gives you a super opportunity to come out and observe these top notch shooters in action. I am sure that they would be happy to answer any questions on technique or equipment once they come off the line.
