The August general meeting will be Friday evening, August 11th, at 7:30 PM at the club house. There will not be a program.

The club is saddened to learn of the passing on July 8th of charter member John Schooley at the age of 81. John was a past president of the National Rifle Association, owner of the American Target Company, and the main force behind the development of the Whittington Center near Raton, New Mexico. In the latter capacity, he was instrumental in raising funds for the Center and had hoped to see its completion. John was proud of the fact that the development of the Center was through contributions only and that no NRA member dues were ever used. In memory of John Schooley, the Cherry Creek Gun Club will be making a contribution to the Whittington Center. Any member wishing to assist the club in this contribution should send their donation to Ross Ryan, treasurer, at 5584 So. Jebel Way, Aurora, Colorado 80015. For those of us who knew John and of the lifelong giving for the shooting sports, he will be missed.

The outdoor range committee has recently signed the new contract with the Parks Division to continue the concession at the outdoor range for another three years. As announced in the June newsletter, the weekday hours are 11 AM to 7 PM and the weekend hours are 9 AM to 5 PM. Again, the club members who wish to use the outdoor range for sighting in prior to hunting season are reminded that they should do their sighting in as early as possible to allow maximum access by the public.

The next work party is scheduled for August 19th at the indoor range at 8 AM. Those scheduled to work are:

Nearl Boyd *nr*
Arthur Helma *WillCell*
John Quinn

Caleb Cooper *Yes*
Patrick Lease *nr*
Robert J. Smith *973-1729 nr*

Daniel Eid *Ans Mack*
Charles Micale *nr*

Howard Glasier again has requested a large work party for August because of the amount of work to be done so any member who would like to work off his work bond should attend. Please, for those who want to work including those listed above, call Howard Glasier on 755-0492 so that provisions can be made to accommodate the work force. Howard normally schedules enough work for those who he finds will be there so that the work party is over by noon.
