Indoor Range: 1310 So. Clinton 750-4462
Outdoor Range: 12500 E. Bellview 693-1765

The September general meeting will be Friday evening, September 8th. at 7:30 PM at the club house. There will not be a program. As a reminder, the donation to the Whittington Center in memory of John Schooley will be sent shortly after the September general meeting.

Club members who wish to use the outdoor range for sighting in prior to hunting season are reminded that they should do their sighting in as early as possible to allow maximum access by the public.

There will be no work party in September.

The next bowling pin match which will require both sides of the indoor range is scheduled for Tuesday evening, September 19th.

The smallbore winter league will begin Wednesday evening, September 27th, with a practice session. The twenty week league will start a week later and will run for twenty weeks ending on March 14th with a break at Thanksgiving, Christmas, and New Years. The course of fire and fees structure will be the same as last year. For more information, contact Robert Mitchell on 771-1341.

The next board meeting will be on September 29th at the club house.

The Junior smallbore rifle chairman is continually in need of equipment for the Juniors. With the large number of Juniors currently active within the Juniors program, it is necessary to maintain a large inventory of equipment to support them. The plan is for each Junior who progresses within the program to purchase his/her own equipment. But, obviously, it is asking too much of the new Junior to purchase their own equipment until they show an interest in the sport which occurs only after significant experience. Several calls have been made for members to donate equipment to the Juniors with good results. But, the need goes on. A suggestion has been made to ask club members to donate money to the Juniors so that the equipment needs may be met. If you can donate some amount for the Juniors, please contact the treasurer or Junior rifle chairman.
