The November general meeting will be Friday evening, November 10th, at 7:30 PM at the club house. The program for the evening will be a talk by Tom and Jean Thomas on Exotic Hunting. I have been informed that this presentation is very interesting.

Anyone interested in running for a position on the Board of Directors should contact Ted Bateman on 733-7144 to get his name added to the nominations list. You may contact Ted at the November general meeting.

Any other member who has not worked off his work bond yet this year and who wishes to do so should call Howard Glasier on 755-0492 so that he can schedule the work effort. Last chance!

Howard Glasier is trying to get a work crew together to install new switches for the carriers in the indoor range. The work will be scheduled for week day evenings and will require coordination between the normally scheduled week day activities. This makes it necessary to define a work crew so that when some activity is shut down, the work force is large enough to warrent the shut down. If you would like to help in this effort, please contact Howard Glasier on 755-0492.

The Winter Pistol League begins Monday evening, October 30th. In order to start shooting early, it is necessary to set up the range late on Sunday evening. The set up involves the west range and points 6 through 10 in the east bay. If any club member finds that it is necessary to use more of the range than points 1 through 5 on Monday during the day, please feel free to do so. However, the equipment that is moved, disconnected, etc. must be placed in the control (light switch) room so that it can be reinstalled prior to the league start on Monday evening. The Winter Pistol League shooters thank you.

The outdoor range will be closed for the winter season starting in December and ending at the end of January, 1990.

The next board meeting will be on November 24th at the club house.
