## MEMBERSHIP

Members, who have not paid their Annual Membership Fees, had their door entry card turned off on March 1, 2007.

-George Wright

The board discussed the evidence of numerous erratic shots into the ceiling "T" beams, into the floor, into lights, etc. The "T" beams and light protective plates will be painted so shots show and the cameras will be checked daily for infractions. Each member knows of the rules via the membership packet (that's once). The first infraction is a warning (that's twice), and the second infraction is membership termination (that's thrice; three times and you are out!)

-BOARD OF DIRECTORS

**MEMBERS:** Please checkout the drawings next to the "Pistol Range Rules" posted in each of the 2 Ranges. These will show the *correct placement* of your target in relation to the *distance* you are shooting and the *position* you are shooting from to prevent shots from striking the floor, ceiling, and target carriers, etc.

-George Wright

## CURRENT NRA MEMBERSHIP REQUIRED

All current members of CCGC, must also be current NRA members. Those members not having their NRA number and expiration date, will be receiving a letter requesting this information. Please return this information ASAP. Failure to return this required information may cause your door entry card to be shutoff until this is received.

-George Wright

## NRA Memberships:

-Art Thayer

Did you know that you can renew your NRA membership through the club, or join if you are not already a member? Currently, the NRA is offering \$10 off the one-year membership price for anyone joining through the CCGC web site link. The link to the NRA membership site is on the CCGC home page, <http://www.cherrycreekgunclub.org>
