Cherry Creek Gun Club News for DECEMBER 2011

Range and Club House: 1310 South Clinton St. Denver
Mailing Address: PMB 319, 1155 South Havana St., #11, Aurora, CO 80012
Phone: 303-750-4462 www.cherrycreekgunclub.org

All members are reminded that as of the first of the year ID cards are to be visibly displayed.

Winter is here and the range has been busier than ever.

Great to see all of you enjoying the Club !!

The red metal deflector strip above the main backstop plates and downrange ceilings have really been taking a beating lately.

Please be sure that your target is in line with your shots and use a longer cardboard target backer or longer stick so your rounds impact near the middle of the backstop.

Remind other shooters if they are not aware of where their bullets are going.

In the last few months more than a few shooters were observed, and asked not to shoot .357 magnum rounds on the #1-19 pistol positions. This is what position 20 is for.

Bottleneck rounds are not permitted on the East or West range.

Please have the sense and respect for other members and follow the rules of the club.

We have the best indoor shooting facility in Denver let's keep it that way.

The Club belongs to all of us.

Thanks, Jack O

The Club website is pretty basic and not the most user friendly or useful.

Are there any members with the expertise and interest in developing or designing a better one? We could use some help here.
