Happy Independence Day to All!

THINK SAFETY, HOUSEKEEPING and COURTESY.

THE CLUB WEBSITE: Inasmuch as the *Firing Line* has traditionally contained information which is repetitive, such as type of events with their times and dates, which already appear on the Club's Website at <http://www.cherrycreekgunclub.org>, that information will no longer be published in this document and may be found at the Website. In the interest of brevity of the *Firing Line*, minutes of the General and Board of Directors meetings will be posted on the Website. The site is much more comprehensive than the monthly *Firing Line* and contains a wealth of information regarding the Club, its history, longstanding programs and up to date activities with changing dynamics to include as training opportunities and an electronic bulletin board as set up by our new Webmaster Mike Thomas.

GUESTS AND GUEST FEES - It was reported at the last Board of Directors Meeting that within one afternoon, there were two separate instances in which members brought guests to the club without following established

mandatory requirements to have the guest sign a liability waiver and for their guest fee to be paid. Although most of our members are conscientious, some do not take their responsibilities seriously or possibly believe the rules do not apply to them. If such incidents were reported by two separate club members within such a short period of time, it is apparent that many others have not complied. The waiver is necessary in order to protect the interests of the club and the fee is necessary to help maintain the club's facilities. Not paying that fee is tantamount to theft! Not paying the guest fee and following simple procedures is just giving more ammunition to those members who would altogether ban guests.

OTHER RESPONSIBILITIES OF MEMBERS BRINGING GUESTS TO THE CLUB: Members are responsible for the actions of their guests. If a member brings a guest, he must supervise that guest. That includes observing the guest's actions at all times and would preclude the member shooting at the same time as the guest. A member must not allow more than one of his guests to shoot at one time. Any damage noted by a member should be reported to a Club officer or be noted in the log book provided in the control room.

THE JUNIORS PROGRAM: Gary Trisdale report he had recently returned from a trip to the finals at Ft. Benning, GA. with two Juniors who competed in that event. Gary reports that both of those competitors shot well.

NEW MEMBERS: We are happy to welcome new members Gary Godden, Jeffrey Huber, April Loretz, Darren Povero, Jonathan Reece, Dwaine Sauers and

Debbie Walters to our organization. Happy shooting guys and gals!

SAFETY:

Remember the Three Basic NRA Safety Rules:

- 1. ALWAYS KEEP THE MUZZLE IN A SAFE DIRECTION**
- 2. ALWAYS KEEP YOUR FINGER OFF THE TRIGGER UNTIL READY TO FIRE**
- 3. ALWAYS KEEP YOUR FIREARM UNLOADED UNTIL READY TO USE**

We challenge you to commit them to memory and practice them constantly.

There have also been recent safety violations reported to include shooters removing their firearm from their shooting bag or other receptacle and carrying it to the firing line. Prior to removing your gun from its container, please carry the receptacle to the firing line and then remove the firearm. This will prevent covering others who are at the firing line.

Even though the following information is redundant it is included because of it's important to your safety and the safety of other range users as well as the maintenance of the facility.
